Destinations : Upolu Coral Cay + Great Barrier Reef	Cruise in comfort and style on board this luxury cruising cat through turquoise waters to 2 destinations: 1. "Wonder Wall" on Outer edge of Upolu Reef 2. Upolu Cay Reef The order will depend on conditions on day.
Your Day	Upon arrival at our private "Wonder Wall" mooring swim, snorkel and dive (optional extra) this truly amazing location under the watchful eye of our safety conscious staff. Experience the abundant corals and sea life with an adventure drift snorkel tour with our staff's assistance. Experience a glass bottom boat trip with our marine naturalist. During lunch cruise to our second site – the pristine and picturesque coral cay reef. Relax and unwind, lazing in the crystal-clear azure shallow waters surrounding the Cay and enjoy a snorkel in the shallow waters where the "bommies" (coral outcrops) are just under the surface surrounded by sparkling white "sand". At times we can stand chest deep in the middle of the ocean, other times the sandy Cay is completely submerged and on days where conditions are right we can land guests on the Cay but every day you can swim, snorkel the beautiful turquoise shallow waters. Or if you prefer you can sunbathe on the spacious comfortable deck areas or relax in the air-conditioned comfort of the saloon. Please note the order of visiting the 2 destinations and the location of the Adventure Drift Snorkel Tour will be determined on the day depending on the conditions to ensure an optimum experience
Your Lunch + Afternoon snacks	A sumptuous lunch consisting of Queensland prawns, Tasmanian smoked salmon, roast chicken,mixed meat platter, 3 fresh salad selections, assorted breads. Tropical fruit platter, cheese and crackers and cake served on cruise home.
Our Guests	Low guest numbers (max 75 – surveyed for 109 people) ensures a personal snorkel and dive experience. All guests are assessed for their snorkelling and diving abilities and are appropriately assisted to ensure that all are able to experience and enjoy the Great Barrier Reef.
Diving : Certified + Introductory	If you've never dived and wish to try it, we have introductory dives - guaranteed 2 divers to one instructor! (usual ratio is 4:1) or if you are a certified diver you can enjoy the wonders of the reef with our experienced complimentary guides.
